Do you ever wonder if you're living true to your design for this lifetime? Human Design is an extraordinarily accurate system that provides the tools you need to answer this important question. It draws from ancient wisdom traditions including astrology, the chakra system, the I Ching, numerology & the Kabbalah to create an elaborate personality blueprint of who you were born to be. Knowing your design empowers you to fully live your destiny by design.

THE WORKSHOP

Location to be determined

\$195 OR SAVE \$45 if you register by September 12th (\$150!)

Register online at www.thecreativelivingcenter.com or call 303-477-2831

The *One-Day Experiential Human Design Workshop* format offers deep exploration of two of the three primary "Keys" in HD, **Type and Authority**. Our workshop experience provide lectures with visual representation, Q&A time, small group processes and a one-to-one process, then completes with a process that involves the entire group. This day is full of fun, exploration and revelation!!
